Re: CBB Cleanup Completion Report – instructions on revisions

Stephanie,

Attached with this letter are three sets of documents. The documents are to be included in revised CBB Cleanup Completion Report (11-25-03). Instructions are given as to where to insert revised documents into the original report dated 11-11-03.

- Revised cover page (1 page) – cover page on CBB letterhead dated 11-25-03 to be inserted into outer sleeve on cover of report. This will replace original cover page dated 11-11-03.
- Revised CBB Cleanup Completion Report (7 pages) – Remove first 7 pages of report including title page, table of contents, and pages 2-7 and replace with revised report (11-25-03). The revised report includes 7 pages starting with title page, then table of contents, followed by pages 2-7.
- Appendix I (1 page) – remove Appendix I cover page (blue) labeled property deed restrictions and replace with revised Appendix I page (blue) labeled Photos. You will also need to remove Appendix J cover page (blue) as it is not necessary.

Any questions please give me a call (816) 506- 0543.

Thanks,

Mike Fritz
